## PC 1C-X2 FROZEN BEVERAGE MACHINE

The PC 1C-X2 is a high-volume slush machine designed for reliability and ease of use in an attractive mirror stainless finish that accents any placement. The PC 1C-X2 offers an energy efficient refrigeration system for low-cost operation, oversized LED backlit signage for merchandising appeal and no heat to melt the slush product, and simple controls for easy operation and perfect slush every time.

### Features

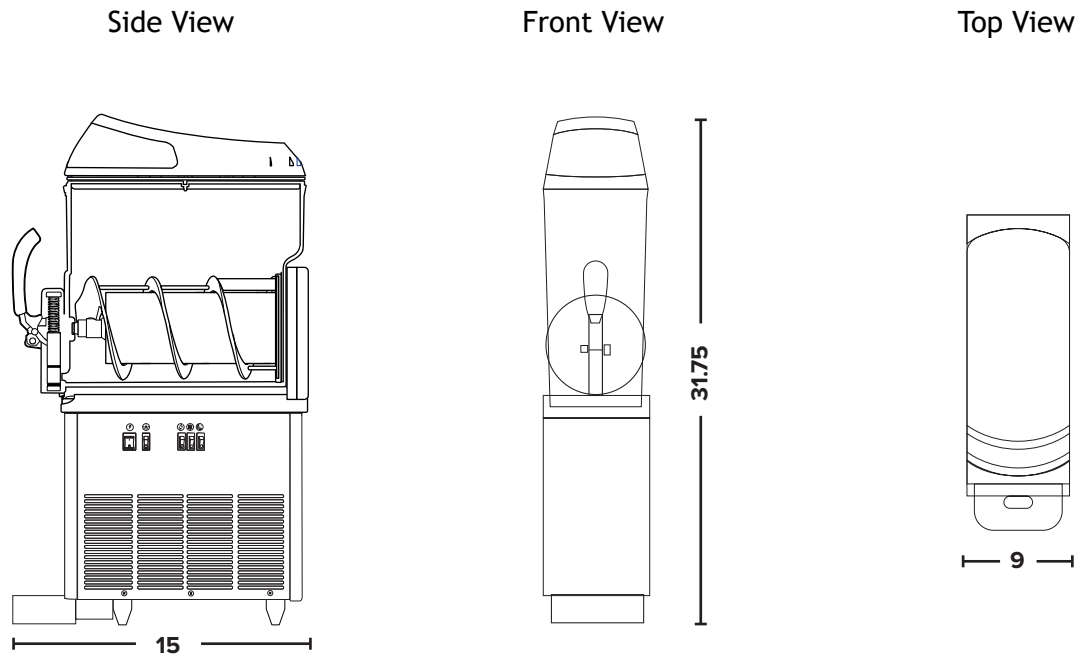

- Large 3.2 gallon bowl for high volume applications
- Night time refrigeration mode for energy savings and to minimize cleaning
- Simple switch control functions for reliability and cost efficient maintenance
- Variable consistency control for perfect slush with any product
- Removable drip tray for easy draining and cleaning
- Mirror stainless steel with black trim for an attractive finish that is easy to clean
