

PC-3C-3X6 FROZEN BEVERAGE MACHINE

The PC-3C-3X6 is a high volume slush machine designed for reliability and ease of use in an attractive mirror stainless finish that accents any placement. The PC-3C-3X6 offers an energy efficient refrigeration system for low cost operation, oversized LED backlit signage for merchandising appeal and no heat to melt the slush product, and simple controls for easy operation and perfect slush every time.

Features

- Large 3.2 gallon bowls (x3) for high volume applications
- Night time refrigeration mode for energy savings and to minimize cleaning
- Simple switch control functions for reliability and cost efficient maintenance
- Independently operable bowls for flexibility to run one or two flavors
- Variable consistency control for perfect slush with any product
- Removable drip trays for easy draining and cleaning
- Mirror stainless steel with black trim for an attractive finish that is easy to clean
